E-FILING FOR PROPERTY TRANSFERS AT AUDITOR'S OFFICE

Hamilton County Auditor Dusty Rhodes, in collaboration with County Recorder Norbert Nadel and County Engineer Eric Beck, reminds you that Electronic Filing (or E-Filing) of deeds and other legal documents conveying property ownership is available in Hamilton County. It can help minimize public contact during the flu season.

Almost 40% of the property transfers in January and February were E-file transfers. If you are not signed up yet, please consider signing up now.

This service is available to title companies, attorneys and other trusted entities through our service provider, Simplifile. We can process simple transactions. Survey and plat work will still need to be brought to the office.

To become an e-filer, please contact Simplifile at 800-460-5657 or visit their website at www.Simplifile.com to set up an account. All fees are be paid through ACH (Automatic Clearing House) payments set up through this provider.

For questions, please contact Kelly Early at 513-946-4010. We look forward to providing this service to minimize public contact during this flu season.
